### NATIONAL PADDLER SUN BEI BEI GIVES BIRTH TO A BABY GIRL

June 25, 2013: Sun Beibei and her husband, Xu Qiang welcomed their baby girl nicknamed “An An” (安安) at 6.30am this morning. An An was supposed to arrive on last Friday. But An An made her parents wait for another 4 days to ready herself.

Beibei started feeling the contractions the night before and went into labour at 5am this morning. The baby girl was delivered naturally at Thomson Medical Centre, weighed in at 3.2kg and measured 50 centimetres in height.

The first time parents say, “Our new baby has given us immense pleasure and happiness. And we hope that baby girl will grow up strong and healthy.”
