MEDIA RELEASE

WATCH THE TABLE TENNIS STARS PLAY LIVE AT THE OPENING OF THE STTA 7th ZONE TRAINING CENTRE

The STTA is proud to announce that we are launching another zone training centre at Blk 810 Hougang Central. At the official opening, there will be an exhibition match between London 2012 Olympic Women's Singles Bronze medalist – Feng Tianwei and our local talent Isabelle Li, SEA Games 2011 Silver medalist, a sight for all table tennis fans in Singapore to behold.

“The Singapore Table Tennis Association (STTA) is sparing no effort in producing champions of tomorrow. We hope that through the STTA's current zone training centres at Bishan, Tampines, Clementi, Yishun Toa Payoh, Jurong West and now Hougang, we will be able to groom many more local talents like Isabelle Li to bring more glory for Singapore,” says Er. Dr. Lee Bee Wah, Member of Parliament for Nee Soon GRC & President STTA.

The STTA has collaborated with the Bedok Reservoir-Punggol Grassroots Organisation for set up of the new zone training centre. And we hope that children living in the north-east will get to benefit from the programme.

The STTA zone training centres are instrumental in strengthening the process of discovering and nurturing young and potential talents in a structured and sustainable manner and the zone training centre at Hougang can accommodate up to 40 youth paddlers.

We would like to invite you and your photographer to the launch of the STTA - Hougang Zone Training Centre. The details of the event are as follow:
