2.0 PRESIDENT'S MESSAGE

It gives me great pleasure to present the annual report of 1 April 2018 to 31 March 2019 as the President of Singapore Table Tennis Association (STTA).

We had an exciting year! In 2018, Team Singapore participated in the Commonwealth Games and Asian Games. At the Commonwealth Games, the Republic's table tennis team ended their campaign with three golds, two silvers and a bronze. Veteran player, Gao Ning claimed two gold medals at the Commonwealth Games and he has retired after the Asian Games. Gao had assumed a new role as the men's head coach starting from 1 January 2019. Gao is now closely involved in mentoring and training the younger generation of players from the national team and intermediate squad.

Yu Mengyu secured a bronze in the women's singles at the 2018 Asian Games. It is such a great comeback for Yu as she has suffered back injuries in the earlier part of the year.

Not to be outdone are our younger generation of players. Our young paddlers swept all the Top 4 positions in both the men's and women's singles event at the 11th South East Asian (SEA) Table Tennis Championships, Bali Indonesia in 2018.

Our Singapore youths also record their best-ever gold medal haul at the 24th SEA Junior & Cadet Table Tennis Championships 2018. They took home 11 gold medals out of the 13 titles at stake. The nation's previous best showing was 10 gold medals at the 2016 edition in Cambodia.

The STTA is deeply committed to the development of our young talents. In 2018, STTA has provided every opportunity and resources to our youths to qualify for the 2018 Youth Olympic Games (YOG) in Argentina. Our youth paddlers were sent to every YOG continental qualification stop to fight for a chance to qualify for YOG.

We are very happy that Koen Pang and Goi Ruixuan did not fail us and have qualified for the YOG. Koen and Ruixuan finished Top 8 and Top 16 respectively in their YOG singles event. Koen and Ruixuan have put their studies on hold to train full time. Starting from January 2019, Koen and Ruixuan together with Josh Chua and Wong Xinru were promoted to the national team.

Another noteworthy success is achieved by our junior paddler – Izaac Quek. At 12 years old, Izaac finished top in the 2018 SEA Regional Hopes Week and Asia Hopes Follow Up Camp and Challenge.

After his wins at the Regional and Asia Hopes tournament, he was invited to participate in the ITTF World Hopes Week and Challenge. He ended his outing as runner up at the ITTF World Hopes Week and Challenge.

We are so proud to share these promising results from our youths and their achievements serve as a testament that our youth development programmes are bearing fruit and we are on the right path of grooming our high potential talents into world-class athletes.

Nonetheless, more time and work are needed to narrow the gap between our younger players and the senior players. And so, we ask for everyone's support to continue to support our work, which is still in progress.

High Participation

The STTA's mission is to promote table tennis vigorously by building significant numbers of table tennis players to help make a vibrant sporting Singapore.

In 2018, there were a record number of new schools joining the Crocodile Challenge Cup. A total of 56 primary schools registered to join the Crocodile Challenge Cup of which 10 primary schools are first time participants. This is a good indication that more schools are participating in the sport table tennis

We are proud to report that in 2018, we have received over 3,700 entries from the nine tournaments organized by STTA in Singapore.

To further promote the sport, the STTA partnered with ELEVEN SPORTS to bring top Singapore Table Tennis action to fans across the globe. This landmark partnership has seen our tournaments produced and broadcast globally. Starting from January 2019, STTA has worked with One Play Sports to broadcast our local tournaments live through the STTA Facebook page.

Coaching & Officiating

Coaching courses such as the ITTF-PTT Level 1 and ITTF Level 2 were organized in 2018 to upgrade the level of our local coaches. To date, over 180 coaches are certified with the ITTF coaching certification.

The STTA has a number of technical programs in place that are designed to groom qualified national referees and umpires to officiate at local tournaments and international tournaments. In 2018, our technical officials have been invited to officiate at the Commonwealth Games, Asian Games, World Table Tennis Championships, YOG and many ITTF World Tours.

Community Service

For our annual community service, the STTA partnered with the Community Switchboard to serve the elderly citizens living in public rented flats within the Jalan Kukoh (near Chinatown) community.

Team Singapore paddlers distributed goodie bags and engage the elderly residents with good conversations at their home.

BGM

The STTA held its bi-annual election in September 2018. I am extremely honored to be re-elected as the STTA president for another term.

I would like to thank the members for placing their trust and confidence in my abilities.

Our newly elected management committee has been working hard in their respective Committees to do their best for STTA.

For my new term, I have invited many new members including ex-players to serve in the various sub-committees. We are excited about the opportunities ahead and we encourage supporters with the same passion to come forward to work with us.

Appreciation

Our paddlers' achievements would not be possible without the "Team behind the Team". I would like to extend my deepest appreciation to my management committee members, coaches, volunteers, staff, family and friends of paddlers, as well as our stakeholders: the Ministry of Culture, Community and Youth, Sport Singapore, Singapore National Olympic Council, Singapore Sports School, People's Association, Nee Soon South CCMC, Toa Payoh East CC, Toa Payoh East-Novena CSC, Toa Payoh Central CSC, Bedok Reservoir-Punggol CCC and Toa Payoh SAFRA.

I would also like to express my sincere gratitude to all our sponsors: Crocodile Foundation, 100PLUS, One Play Sports, Char Yong (Dabu) Association, My Workflow and STIGA for their strong support, in cash and in kind. Thank you for your unwavering trust in STTA. Your sponsorships provided much needed resource for STTA's sport excellence plans and have contributed to the continued growth and success of the Table Tennis Sport in Singapore.

Special thanks to our media friends too, who have helped to cover STTA's achievements and events.

Yours truly,

Ellen Lee Geck Hoon, JP,PBM
President, STTA

In the 21st edition of the Commonwealth Games, our team returned home with three golds, two silvers and one bronze. As a powerhouse in the Commonwealth Games, it was no doubt that this result was disappointing for the association. The women's team, comprised of the same members in the 2014 edition in Glasgow except that Isabelle Li has been replaced by young member of the Intermediate Squad (IS) Zhang Wanling. It was with great surprise that our women's team, who has been breezing through the qualification easily, fell at the hands of the Indians at the last hurdle. Singapore lost to India 1-3 in the women's team finals:

For the men's team, it was a new team in transition to take up the challenge, with only Gao Ning from the 2014 squad. Pang Xue Jie, who was in National Service back then, was joined by Ethan Poh, Beh Kun Ting and Koen Pang from the IS and SWS. In the quarterfinals, the men's team took down the Canadians. In the semi-finals against India, despite Gao Ning clocking two points in both of his singles matches, the younger team members were not able to create an upset against the higher-ranked Indian players and was defeated 2-3:

On the contrary, men's team veteran player Gao Ning stormed through the men's singles and won the title for the first time, beating Nigeria's top seed Aruna Quadri 4-2. Shortly after the Commonwealth Games in Gold Coast, the team departed for Halmstad for the World Team Table Tennis Championships. The team composition remained largely same except that two Intermediate Squad players Pearlyn Koh and Lucas Tan were selected based on their performance in the selection trials. In the 2016 edition, the women's team lost to DPR Korea in the quarterfinals, while the men's team came in 21st in the championships division.

As expected, the women's team came in second in Group A, losing only to China 1-3. Feng Tianwei won her match against Wang Manyu, however the girls could not keep up the good work in the subsequent matches against Ding Ning and Chen Meng. Singapore also took down India, who recently won us in the Commonwealth Games easily in three straight matches. As the runner up, Singapore was drawn to play Ukraine in the Round of 16 match. The girls suffered a surprise defeat against the Ukrainians, with Yu Mengyu losing to Gaponova Ganna in the second singles match. Feng Tianwei secured the first point against Bilenko Tetyana by winning in three straight games, but with Mengyu's loss, it was levelled to 1-1 tie. Their third singles player, Pesotska Margaryta beat Lin Ye in four games, to let Ukraine lead us 2-1. The competition was stretched to the fifth singles, with Mengyu facing the chopper Bilenko, but Mengyu could not deliver and lost in three games.

The men's team, with majority of the members young and inexperienced, had tried their best but lost all the matches in the group stage.

In this year's edition of Asian Games held in Jakarta, a total of six athletes represented Singapore in the table tennis event. Our men's team was not selected by the Selection Committee for Asian Games due to the world ranking of lower than 6th among the Asian countries. Only Gao Ning, gold medallist for Men's Singles and Mixed Doubles in the Commonwealth Games 2018 received the ticket for Asian Games. Zhou Yihan was forced to withdraw from the Games due to a relapse of her wrist injury. She was replaced by Pearlyn Koh from the Intermediate Squad, who came in second in the selection trials for the Games.

With only four events at stake, our team returned home with a bronze medal from Yu Mengyu in the Women's Singles event. This is Mengyu's first individual medal in Asian Games. In the 2014 edition in Incheon, she withdrew from the singles event due to her acute back injury. This year, she beat higher ranked players like Doo Hei Kem (HKG) in the Round of 16 match and further secured her bronze medal in the quarterfinals against Chinese Taipei's top player Cheng I Ching, which was the third seed in the Games. On the other hand, Tianwei suffered a defeat from Korean player Jeon Jihee in the Round of 16 and ended her pursuit for a medal in this event. She was the bronze medallist in the 2014 Incheon Asian Games.

5.0 SPORTS DEVELOPMENT

5.1 Learn-To-Play (Basic) and Continue-To-Play (Intermediate) Programmes

The Learn to Play (LTP) Programme was developed targeting at the public who wished to develop basic skills in Table Tennis. At LTP, trainees learn the fundamental rules and techniques of playing the game. After completing the LTP Programme, trainees who wish to further develop their skills could go on to the Continue-To-Play (CTP) Programme.

There are four training venues currently available for the LTP lessons. These include the inaugural Lee Kong Chian Toa Payoh Table Tennis Training Hall and three other training venues located at Clementi Sports Hall, Pasir Ris Sports Hall and Bedok Reservoir Punggol (Hougang) Zone Training Center. All participants are encouraged to pursue further in Table Tennis by taking part in the CTP programme after the block of 10 weeks LTP sessions.

The LTP and CTP programmes had grown steadily over the year and had attracted 924 participants in FY 2018.

5.2 Pre-School Programme

STTA introduced table tennis to PAP Community Foundation (PCF) Kindergarten's K1 & K2 children. The programme had been piloted at Nee Soon South Constituency in 2009. The objective is to introduce table tennis to the aforementioned age group children with the aim of arousing their interest and teaching them the basic skills of the sport. Students who showed potential would be invited to join any of the zone training centers for further development.

STTA had revised the programme fees to ensure its sustainability. In 2018, we had six classes from Nee Soon South Constituency and we had extended our programme to privately owned kindergarten as well.

The table below summarized the outreach of the Pre School Programme in FY2018.

| No | Constituency | No. of Classes in FY2018 |
|-----------|----------------------------|---------------------------------|
| 1 | Nee Soon South | 6 Classes |
| 2 | Carpe Diem Group - Hilltop | 1 Class |

In 2018, we successfully integrated one student from Pre-School in Nee Soon South Constituency to Yishun Zone Training Center.

5.3 Zone Training Centers

The main objective of the Zone Training Centers is to promote and develop local talents. The top talents, identified through selection trials, were invited to join the Junior Development Squad as part of the pathway development designed by STTA. As at 31 March 2018, we were training a total of 278 players with an average of 35 players from each Zone Training Center. The players range from age 5 to 11. In order to let every player enjoy the fun of competition, the coaches regularly invite the participants to participate in our 8 major tournaments which are organized/jointly organized by STTA.

STTA is committed in grooming all participants from our Zone Training Centers to become the next local talent.

To further enhance our center players' learning experience, STTA also organized inter-zone training centers' tournament where players of the same age were grouped together to play mini-themed tournament.

5.4 Coaching Accreditation System

With the increased emphasis by SportSG in coaching development and the establishment of CoachSG, STTA is also making efforts to align our coaching development pathway in the direction of CoachSG. On top of conducting coaching courses to groom and educate new coaches, STTA had also put in place an accreditation policy to recognize prior knowledge and experience of coaches by accrediting them with the associated technical coaching qualifications.

5.5 Sports Development – Courses

5.5.1 ITTF Coaching Course Technical Level 1 & Level 2

To expand the pool of qualified coaches in Singapore, STTA organized 2 run of ITTF Coaching Course in FY2018. In November 2018, we invited Ms. Christina Chee from Malaysia as ITTF appointed course conductor for the ITTF Level 2 coaching course. This course spanned from 16 November to 24 November 2018. We had received positive feedback on her knowledge and enthusiasm in her lesson. STTA's Senior High Performance Manager, Mr Eddy Tay, also took part as participant in the course. The 9-day course had attracted full class size of 20 participants. In order to complete the course with certification, participants were required to pass a practical examination and commit 50 hours of attachment session with Zone Centers elite Juniors or Junior Development Squad / Youth Training Squad / School within School.

In March 2019, we invited Mr Eddy Tay (Senior High Performance Manager) as the course conductor for the ITTF-PTT coaching course. This course spanned from 15 March to 22 March 2019 and had attracted a class size of 26 participants. 6.2 National Ranking System

Since the launch of the STTA National Ranking System on 20 January 2013, we had captured the rankings of more than 1000 players who took part in the series of tournaments organized / co-organized by STTA over the years.

By using the tournament software, we are able to assign ranking points to each of the players for the various competitions and publish them online for ease of checking by the participants and parents to track their individual rankings.

The National Ranking System had played an important role in boosting the number of entries for our various competitions.

7.0 OFFICIATING

7.1 Umpires/Referees

STTA has a total of 405 national umpires, 93 international umpires and 6 international referees.

STTA conducted 2 intakes of National Umpire courses in July 2018 and January 2019 respectively and 1 Basic Referee course in March 2019. There were a total of 26 participants who signed up for the National Umpire course and 9 qualified national umpire who participated in the Basic Referee course with an average of 85% passing rate. Mr Ronald Wee was the course conductor for all the above-mentioned courses. In addition, STTA also organized umpire seminar in February 2019. In this edition of the umpire seminar, the focus was to introduce the new rules of the game and its application in officiating games. Another focus of the seminar was to allow umpires to have an insight of how Referees organize tournaments such as match scheduling and timing allocation. The umpires were also given the chance to conduct draws for the tournament with experienced Referees sharing their overseas experience with the local umpires. The session was enriching and informative as the participants greatly benefited from it.
