STATEMENT BY THE MANAGEMENT COMMITTEE

For the Financial year ended 31 March 2020

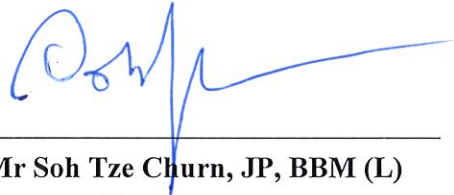

In the opinion of the Management Committee,

- (a) the financial statements of the Association are drawn up so as to give a true and fair view of the financial position of the Association as at 31 March 2020 and the financial performance, changes in funds and cash flows of the Association for the year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

On behalf of the Management Committee,

Ms Lee Geck Hoon @ Ellen, JP, PBM
President

Mr Soh Tze Churn, JP, BBM (L)
Honorary Treasurer

Singapore, 23 JUL 2020

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE TABLE TENNIS ASSOCIATION**

UEN: S65SS0005E

For the Financial year ended 31 March 2020

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Singapore Table Tennis Association (the 'Association'), which comprise the statement of financial position of the Association as at 31 March 2020, and the statement of comprehensive income, the statement of changes in funds and the statement of cash flows of the Association for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements are properly drawn up in accordance with provisions of the Singapore Societies Act Cap 311 (the "Societies Act"), the Charities Act Cap 37 (the "Charities Act"), (together, the "Acts") and Singapore Financial Reporting Standards (FRSs) so as to give a true and fair view of the financial position of the Association as at 31 March 2020 and of the financial performance, changes in funds and cash flows of the Association for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE TABLE TENNIS ASSOCIATION**

UEN: S65SS0005E

For the Financial year ended 31 March 2020

Other Information

Management Committee is responsible for the other information. The other information comprises of the Statement by the Management Committee included on page 1 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Committee's Responsibility for the Financial Statements

The management committee is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Acts and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Management Committee's responsibilities include overseeing the Association's financial reporting process.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE TABLE TENNIS ASSOCIATION**

UEN: S65SS0005E

For the Financial year ended 31 March 2020

Independent Auditor's responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management Committee.
- Conclude on the appropriateness of Management Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
SINGAPORE TABLE TENNIS ASSOCIATION**

UEN: S65SS0005E

For the Financial year ended 31 March 2020

Independent Auditor's responsibility for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: (Continued)

We communicate with the Management Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

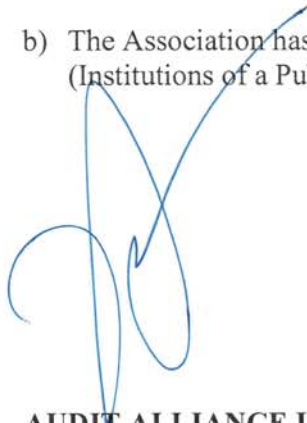

Report on Other Legal and Regulatory Requirements

In our opinion:

- a) The accounting and other records required to be kept by the Association have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations; and
- b) The fund-raising appeal held by the Association during the financial year ended 31 March 2020 has been carried out in accordance with Regulation 8 of the Societies Regulations issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeal.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- a) The Association has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- b) The Association has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

These notes form an integral part and should be read in conjunction with the accompanying financial statements.

1. General information

Singapore Table Tennis Association (the “Association”) is registered in Singapore under the Societies Act with its registered office and principal place of business at 297-C Toa Payoh Lorong 6 Singapore 319389.

The principal activities of the Association are those relating to the promotion of table tennis for recreation and competition at national and international levels.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements are drawn up in accordance with provisions of the Acts and FRSs so as to give a true and fair view of the financial position of the Association as at **31 March 2020** and of the financial performance, changes in funds and cash flows of the Association for the financial year ended on that date.

The financial statements are presented in Singapore Dollars (S\$), which is the Association’s functional currency.

2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Association has adopted all the new and amended standards which are relevant to the Association and are effective for annual financial periods beginning on or after 1 January 2019. Except for the adoption of FRS 116 Leases described below, the adoption of these standards did not have any material effect on the financial performance or position of the Association.

FRS 116 Leases

FRS 116 supersedes FRS 17 Leases, INT FRS 104 Determining whether an Arrangement contains a Lease, INT FRS 15 Operating Leases-Incentives and INT FRS 27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to recognise most leases on the statement of financial position.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.2 Changes in accounting policies (continued)

FRS 116 Leases (continued)

The Association adopted FRS 116 using the modified retrospective method of adoption with the date of initial application of 1 April 2019. Under this method, the standard is applied retrospectively with the cumulative effect of initially applying the standard recognised at the date of initial application as an adjustment to the opening balance of retained earnings. The Association elected to use the transition practical expedient to not reassess whether a contract is, or contains a lease at 1 April 2019. Instead, the Association applied the standard only to contracts that were previously identified as leases applying FRS 17 and INT FRS 104 at the date of initial application.

The effect of adopting FRS 116 as at 1 April 2019 was as follows:

	Increase/(decrease)
	S\$
Right of use assets	331,425
Lease liabilities	336,679
Retained earnings	(5,254)

The Association has lease contracts for buildings. Before the adoption of FRS 116, the Association classified each of its leases (as lessee) at the inception date as either a finance lease or an operating lease. The accounting policy prior to 1 April 2019 is disclosed in Note 2.15.

Upon adoption of FRS 116, the Association applied a single recognition and measurement approach for all leases except for short-term leases and leases of low-value assets. The accounting policy beginning on and after 1 April 2019 is disclosed in Note 2.15. The standard provides specific transition requirements and practical expedients, which have been applied by the Association.

SINGAPORE TABLE TENNIS ASSOCIATION
UEN: S65SS0005E
NOTES TO THE FINANCIAL STATEMENTS
For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.2 Changes in accounting policies (continued)

FRS 116 Leases (continued)

(a) Leases previously accounted for as operating leases

The Association recognised right-of-use assets and lease liabilities for those leases previously classified as operating leases, except for short-term leases and leases of low-value assets. The right-of-use assets for the leases were recognised based on the carrying amount as if the standard had always been applied, using the incremental borrowing rate at the date of initial application. Lease liabilities were recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application.

The Association also applied the available practical expedients wherein it:

- used a single discount rate to a portfolio of leases with reasonably similar characteristics;
- relied on its assessment of whether leases are onerous immediately before the date of initial application as an alternative to performing an impairment review;
- applied the short-term leases exemption to leases with lease term that ends within 12 months of the date of initial application;
- excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application; and
- used hindsight in determining the lease term where the contract contained options to extend or terminate the lease.

SINGAPORE TABLE TENNIS ASSOCIATION
UEN: S65SS0005E
NOTES TO THE FINANCIAL STATEMENTS
For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.2 Changes in accounting policies (continued)

FRS 116 Leases (continued)

(a) Leases previously accounted for as operating leases

Based on the above, as at 1 April 2019:

- right-of-use assets of \$331,425 were recognised;
- additional lease liabilities of \$336,679 were recognised;
- the net effect of these adjustments of \$5,254 had been adjusted to retained earnings. Comparative information is not restated.

(b) Leases previously accounted for as operating leases

The lease liabilities as at 1 April 2019 can be reconciled to the operating lease commitments as of 31 March 2019, as follows:

	S\$
Operating lease commitments as at 31 March 2019	<u>345,075</u>
Weighted average incremental borrowing rate as at 1 April 2019	<u>4.25%</u>
Discounted operating lease commitments as at 1 April 2019	<u>336,679</u>
Lease liabilities as at 1 April 2019	<u><u>336,679</u></u>

New or amended Standards and Interpretations after 1 April 2020

Certain new accounting standards and interpretations have been published that are mandatory for accounting years after 1 April 2020.

The Association is currently assessing the impact on the adoption of the new standards in the period of initial application.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.3 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is calculated on a straight-line method to allocate depreciable amounts over their estimated useful lives. The estimated useful lives are as follows:

	<u>Years</u>
Sports equipment	5
Office equipment	3

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The useful lives, residual values and depreciation method are reviewed at the end of each reporting period, and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in profit or loss in the year the asset is derecognised.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.4 Impairment of non-financial assets

The Association assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the Association makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.5 Financial instruments (continued)

a) Financial assets

Initial recognition and measurement

At initial recognition, the Association measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss (“FVPL”), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Association expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition

Subsequent measurement

Investments in debt instruments

Subsequent measurement of debt instruments depends on the Association’s business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are amortised cost, FVOCI and FVPL. The Association only has debt instruments at amortised cost.

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.5 Financial instruments (continued)

a) Financial assets (continued)

Derecognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income for debt instruments is recognised in profit or loss.

b) Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Association becomes a party to the contractual provisions of the financial instrument. The Association determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at FVPL are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.6 Impairment of financial assets

The Association assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

Financial assets carried at amortised cost

For financial assets carried at amortised cost, the Association first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Association determines that no objective evidence of impairment exists for individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial asset is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying amount of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Association considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.7 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and short-term bank deposits and are subject to an insignificant risk of changes in value.

2.8 Revenue recognition

Revenue is recognised when the Association satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

The main income for the Association is from subscriptions, donations, government grants, sponsorships, coaching and training income, course fee and income from tournament. Recognition of government grants are set out on Note 2.10. All other revenue are recognised on an accrual basis.

2.9 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with.

Government grant shall be recognised in profit or loss on a systematic basis over the periods in which the entity recognizes as expenses the related costs for which the grants are intended to compensate.

Grants related to income may be presented as a credit in profit or loss, either separately or under a general heading such as “Other income”.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.10 Employee benefits

Defined contribution plans

The Association makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

Employee leave entitlement

Employee entitlements to annual leave are recognised as a liability when they accrue to the employees. The estimated liability for leave is recognised for services rendered by the employees up to the reporting date.

2.11 Taxes

The Association is a tax-exempted institution under the provision of the Income Tax Act (Chapter 134, 2004 Revised Edition).

2.12 Conflict of interest policy

Management Committee (the "MC") members are expected to avoid actual and perceived conflicts of interest. Where MC members have personal interest in business transactions or contracts that the Association may enter into, or have vested interest in other organisations that the Association have dealings with or is considering to enter into joint ventures with, they are expected to declare such interests to the MC as soon as possible and abstain from discussion and decision-making on the matter. Where such conflicts exist, the MC will evaluate whether any potential conflicts of interest will affect the continuing independence of MC members and whether it is appropriate for the MC member to continue to remain on the MC.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.13 Funds

The Association maintains unrestricted funds. Funds set up for specific purposes are classified as restricted funds. All income and expenses other than those attributable to restricted funds and common overheads are recorded in the unrestricted fund's statement of comprehensive income.

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Association, the financial statements of the Association are maintained such that the resources for various purposes are classified for accounting and reporting purposes that are in accordance with activities or objectives specified.

The preparation of the Association's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

2.14 Leases

The accounting for leases before 1 January 2019 are as follows:

When the Association is the lessee:

The Association leases the office and national training centre under operating leases from non-related parties.

Lessee – Operating leases

Leases where substantially all risks and rewards incidental to ownership are retained by the lessors are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessors) are recognised in statement of comprehensive income on a straight-line basis over the period of the lease. Contingent rents are recognised as an expense in statement of comprehensive income when incurred.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.14 Leases (continued)

The accounting for leases after 1 January 2019 are as follows:

The Association assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

When the Association is the lessee:

The Association applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Association recognises lease liabilities representing the obligations to make lease payments and right-of-use assets representing the right to use the underlying leased assets.

Right-of-use assets

The Association recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Association at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. The accounting policy for impairment is disclosed in Note 2.5.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.14 Leases (continued)

The accounting for leases after 1 January 2019 are as follows: (continued)

Lease liabilities

At the commencement date of the lease, the Association recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Association and payments of penalties for terminating the lease, if the lease term reflects the Association exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Association uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Association applies the short-term lease recognition exemption to its short-term leases of machinery (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

2. Significant accounting policies (continued)

2.15 Related party

A party is considered to be related to the Association if:

- a) The party, directly or indirectly through one or more intermediaries,
 - i. control, is controlled by, or is under common control with, the Association;
 - ii. has an interest in the Association that gives it significant influence over the Association; or
 - iii. has joint control over the Association;
- b) The party is an associated entity;
- c) The party is a jointly-controlled entity;
- d) The party is a member of the key management personnel of the Association or its parent;
- e) The party is a close member of the family of any individual referred to in (a) or (d);
- f) The party is an entity that is controlled, jointly controlled or significantly influenced by or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (d) or (e).

There were no transactions between the Association and any related party during the financial year.

3. Significant accounting judgments and estimates

3.1 Judgments made in applying accounting policies

The management committee members are of the opinion that there are no significant judgments made in applying accounting policies that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

SINGAPORE TABLE TENNIS ASSOCIATION

UEN: S65SS0005E

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

3. Significant accounting judgments and estimates (continued)

3.2 Key sources of estimation of uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Association based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Association. Such changes are reflected in the assumptions when they occur.

Impairment of loans and receivables

The impairment of trade and other receivables is based on the ageing analysis and management's continuous evaluation of the recoverability of the outstanding receivables. In assessing the ultimate realisation of these receivables, management considers, among other factors, the creditworthiness and the past collection history of each customer. If the financial conditions of these customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required. The carrying amount of the Association's trade and other receivables as at 31 March 2020 were S\$256,201 (2019: S\$332,568).

7. Restricted funds (continued)

Meinhardt STTA Scholarship was provided by Meinhardt (Singapore) Pte Ltd to athletes to pursue higher education in countries that Meinhardt is operating in.

Future Ready Trust Fund was provided by Dr Tahir & Associates or other donors or sources to provide financial assistance to the beneficiaries in relation to meeting their further education expenses, as set out in deed of trust.

SNOG scholarship was set up as a reward for medal-winning athletes at 1st Youth Olympic Games 2010 for their future development such as academic education, competition and training equipment and any other sports related areas.

Sports Fund was set up to reward the World Champions in terms of scholarship assistance, financial, medical and social support and prepare them for their lives after their careers in table tennis end.

Bursary and Subsidy Fund was set up to fund the training fees and overseas training and competitions expenses of promising athletes who require financial assistance.

Youth Development Endowment Fund was set up to support the outstanding players financially during their stint with the national team to finance their tertiary education during or after their stint with the national team or any post-career opportunities and to reward the youth paddlers for their continued commitment and dedication to the sport of table tennis in Singapore.

One Team Singapore Fund was set up to support Team Singapore athletes directly in their training and competition. It will also provide Team Singapore athletes with post-sport career or education support (Note 8).

16. Income tax expenses

The Association has been granted IPC status since 1 January 2011. The Association is a charitable institution by virtue of Section 2 of the Charities Act, Chapter 37. In addition, there is no need to file income tax returns by virtue of Section 13(m) of the Income Tax Act Chapter 134.

17. Leases

Association as a lessee

The Association has lease contracts for land, buildings and motor vehicles. The Association's obligations under these leases are secured by the lessor's title to the leased assets. The Association is restricted from assigning and subleasing the leased assets. There are several lease contracts that include extension options which are further discussed below.

The Association also has certain leases of machinery with lease terms of 12 months or less and leases of office equipment with low value. The Association applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

NOTES TO THE FINANCIAL STATEMENTS
For the financial year ended 31 March 2020

18. Commitment

Operating lease commitments – as lessee

The Association leases warehouses and equipment under non-cancellable operating lease agreements. These leases have varying terms.

As at 31 March 2019, the future minimum lease payables under non-cancellable operating leases contracted for but not recognised as liabilities, are as follows:

	S\$
Not later than one year	276,059
Between one to five year	69,016
	<u>345,075</u>

Minimum lease payments recognised as an expense in profit or loss for the financial year ended 31 March 2019 amounted to \$276,059.

As disclosed in Note 2.2, the Association has adopted FRS 116 on 1 April 2019. These lease payments have been recognised as right-of-use assets and lease liabilities on the statement of financial position as at 31 March 2020, except for short-term and low-value leases.

19. Disclosure on governance evaluation checklist via charity portal

As required, the Association has submitted the Governance Evaluation Checklist for the financial year ended 31 March 2019 via Charity Portal on <https://www.charities.gov.sg>.

The Association will submit the Governance Evaluation Checklist for the financial year ended 31 March 2020 after the approval of the financial statements.

20. Financial risk management

The Association's activities expose it to a variety of financial risks from its operation. The key financial risks include credit risk, market risk and liquidity risk.

20. Financial risk management (continued)

The Management Committee members reviews and agrees policies and procedures for the management of these risks, which are executed by the management team. It is, and has been throughout the current and previous financial year, the Association's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Association's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Association's exposure to these financial risks or the manner in which it manages and measures the risks.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Association. The Association has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a means of mitigating the risk of financial loss from defaults. The Association performs ongoing credit evaluation of its counterparties' financial condition and generally do not require a collateral.

The maximum exposure to credit risk in the event that the counterparties fail to perform their obligations as at the end of the financial year in relation to each class of recognised financial assets is the carrying amount of those assets as stated in the balance sheet.

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Association's performance to developments affecting a particular industry.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

20. Financial risk management (continued)

Credit risk (continued)

Exposure to credit risk

The Association has no significant concentration of credit risk. The Association has credit policies and procedures in place to minimise and mitigate its credit risk exposure.

Financial assets that are neither past due nor impaired

Trade and other receivables that are neither past due nor impaired are with creditworthy debtors with good payment record with the Association. Cash and cash equivalents are placed with or entered into with reputable financial institutions or companies with high credit ratings and no history of default.

Financial assets that are either past due or impaired

Information regarding financial assets that are either past due or impaired is disclosed in Note 5 to the financial statement.

Market risk

Market risk is the risk that changes in market prices, such as interest rates will affect the Association's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk.

20. Financial risk management (continued)

Market risk (continued)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Association's financial instruments will fluctuate because of changes in market interest rates. The Association's exposure to interest rate risk arises primarily from cash and cash equivalents.

The Association does not expect any significant effect on the Association's profit or loss arising from the effects of reasonably possible changes to interest rates on interest bearing financial instruments at the end of the financial year.

Liquidity risk

Liquidity risk refers to the risk that the Association will encounter difficulties in meeting its short-term obligations due to shortage of funds. The Association's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It is managed by matching the payment and receipt cycles. The Association's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities. The Association's operations are financed mainly through funds. The Management Committee members are satisfied that funds are available to finance the operations of the Association.

The contractual undiscounted cash flows of financial assets and financial liabilities due within 12 months approximate their carrying amounts as the impact of discounting is not significant.

The average credit period taken to settle these payables is about 30 - 60 days (2019: 30 - 60 days).

It is expected that all the liabilities will be paid when due. The Association expects to meet its cash commitments with cash inflows from operating activities and government grants.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 31 March 2020

21. Fair values

The fair value of a financial instrument is the amount at which the instrument could be exchanged or settled between knowledgeable and willing parties in an arm's length transaction.

The following methods and assumptions are used to estimate the fair value of each class of financial instruments for which it is practicable to estimate that value.

Cash and cash equivalents, other receivables and other payables

The carrying amounts of these balances approximate their fair values due to the short-term nature of these balances.

Trade receivables and trade payables

The carrying amounts of these receivables and payables approximate their fair values as they are subject to normal trade credit terms.

22. Financial instruments by category

At the reporting date, the aggregate carrying amounts of financial assets at amortised cost and financial liabilities at amortised cost were as follows:

	2020 S\$	2019 S\$
Financial assets measured at amortised cost		
Trade and other receivables (Note 5)	169,002	198,442
Cash and cash equivalents (Note 6)	<u>10,030,890</u>	<u>8,910,110</u>
	<u>10,199,892</u>	<u>9,108,552</u>
Financial liabilities measured at amortised cost		
Trade and other payables (Note 9)	<u>344,837</u>	<u>386,607</u>
