MEDIA RELEASE

A New Year and a new beginning for Singapore Table Tennis! The National Grand Finale receives record-breaking number of entries.

Year 2020 was a challenging year for Singapore table tennis, as the COVID-19 pandemic brought the Singapore table tennis event calendar to a grinding halt early in the year.

Year 2021 is a new year and a new beginning for Singapore table tennis. The STTA kicked start the year with the National Table Tennis Grand Finale 2020/2021, which began on 18 March 2021 and concluded today.

The 2020/2021 National Grand Finale received a record-breaking number of entries from the last decade, despite not featuring the team and mixed doubles events. This year, the STTA received over 400 entries for the singles and doubles events.

The record number of entries to the National Grand Finale 2020/2021 is a testament to that more people are playing and picking up table tennis as a sport. We are so happy that our sport has grown despite our recent challenges.

We are pleased to share the results of the National Grand Finale as follow:
