MEDIA RELEASE

Table Tennis: Izaak Quek finished the Senec tournament in Joint Third position.

Singapore youth paddler, 15 years old Izaak Quek finished the Senec tournament in Joint Third position.

Quek said, " I put up a good fight at Senec and I am disappointed that I did not managed to secure a win against Brazilian Leonardo Kenzo IIZUKA. Although I did not win the Senec tournament, I am really happy that I managed to win 2 titles- U19 Singles title in Szombathely and U15 Singles title in Lignano after 2 years of not competing in any international competitions. I will continue to work hard and I look forward to the upcoming ITTF World Youth Championships, Portugal, 2 to 8 December 2021. "
