Singapore Table Tennis Association Hosts Successful Fundraising Golf and Dinner 2025

The Singapore Table Tennis Association (STTA) held its annual **Fundraising Golf and Dinner 2025** today, 24 July, at Warren Golf and Country Club. The event brought together partners, supporters, and friends of the sport for a day of golfing and an evening of meaningful celebration — all in support of Singapore's table tennis athletes.

Gracing the occasion as Guest-of-Honour was Mr David Neo, Acting Minister for Culture, Community and Youth & Senior Minister of State for Education, who joined STTA President Ms Poh Li San, members of the fundraising committee, donors, and over 150 guests for the dinner segment of the event.

The day teed off with a friendly golf tournament in the afternoon, which saw 100 golfers take to the course, giving their all under the hot sun.

The evening programme continued with dinner, light-hearted games, prize presentations, and a special fundraising video that offered a glimpse into the aspirations of Singapore's rising paddlers.

Guests were invited to take part in two themed table games — a golf ball guessing game and a ping pong putting challenge — blending the spirit of golf with the heart of table tennis. The night also featured the presentation of tokens of appreciation to key sponsors and donors, alongside awards for the tournament winners.

In total, STTA raised close to \$280,000. The funds raised will contribute to the **One Team Singapore Fund**, supporting key initiatives such as:

- **Pathway Development for Team Singapore Athletes** – Ensuring a structured progression for future champions.
- **High-Performance Sports System** – Enhancing training and competition opportunities both locally and internationally.

The STTA extends its heartfelt thanks to all sponsors, donors, participants and volunteers who helped make the 2025 edition of the Fundraising Golf and Dinner a memorable and meaningful one.
