Krystal Huang Clinches Gold in the U13 Girls Singles at WTT Youth Contender Podgorica

Young paddler Krystal Huang continued her impressive run of form, clinching the U13 Girls Singles title at the WTT Youth Contender Podgorica 2026 in Montenegro to secure back-to-back podium finishes on the international stage.

Krystal delivered a commanding performance, sweeping past Hungary's Martina Golosmanova 3-0 (12-10, 13-11, 11-7) in the semifinals before overcoming Switzerland's Elina Hu by the same scoreline of 3-0 (13-11, 11-9, 15-13) in the final to claim the gold medal.

Her latest triumph comes on the back of another strong showing earlier this week at the WTT Youth Contender Szombathely 2026 in Hungary, where she secured a silver medal.

With a gold and silver medal from two consecutive WTT Youth Contender events, Krystal has demonstrated remarkable consistency and promising form, marking another significant milestone in her young table tennis journey.
